PART 10
1980 to 1989

Hagen, Germany 1980

198() USA

PM 6:23:22

Hagen, Germany 1980

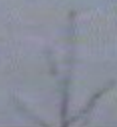

A dark, elongated, and blurry object is captured in motion against a clear blue sky. The object appears as a horizontal streak with some internal detail, possibly a satellite or a fast-moving aircraft. The background is a uniform blue with a few wispy white clouds on the right side.
