Chemtrail photo taken 4-19-2004 includes object I did not notice when photo was taken. Various enhancements at top. What is it?

22.04.2004 / 14:32

A blurry, low-resolution photograph of a landscape. The top half is a pale, hazy sky, and the bottom half is a darker, hazy ground. A small, bright white object is visible in the center of the lower half. On the right side, there is a vertical black bar and a thin, dark, curved line.

Kaufman Co., TX 04-23-05; copyright lawwalk

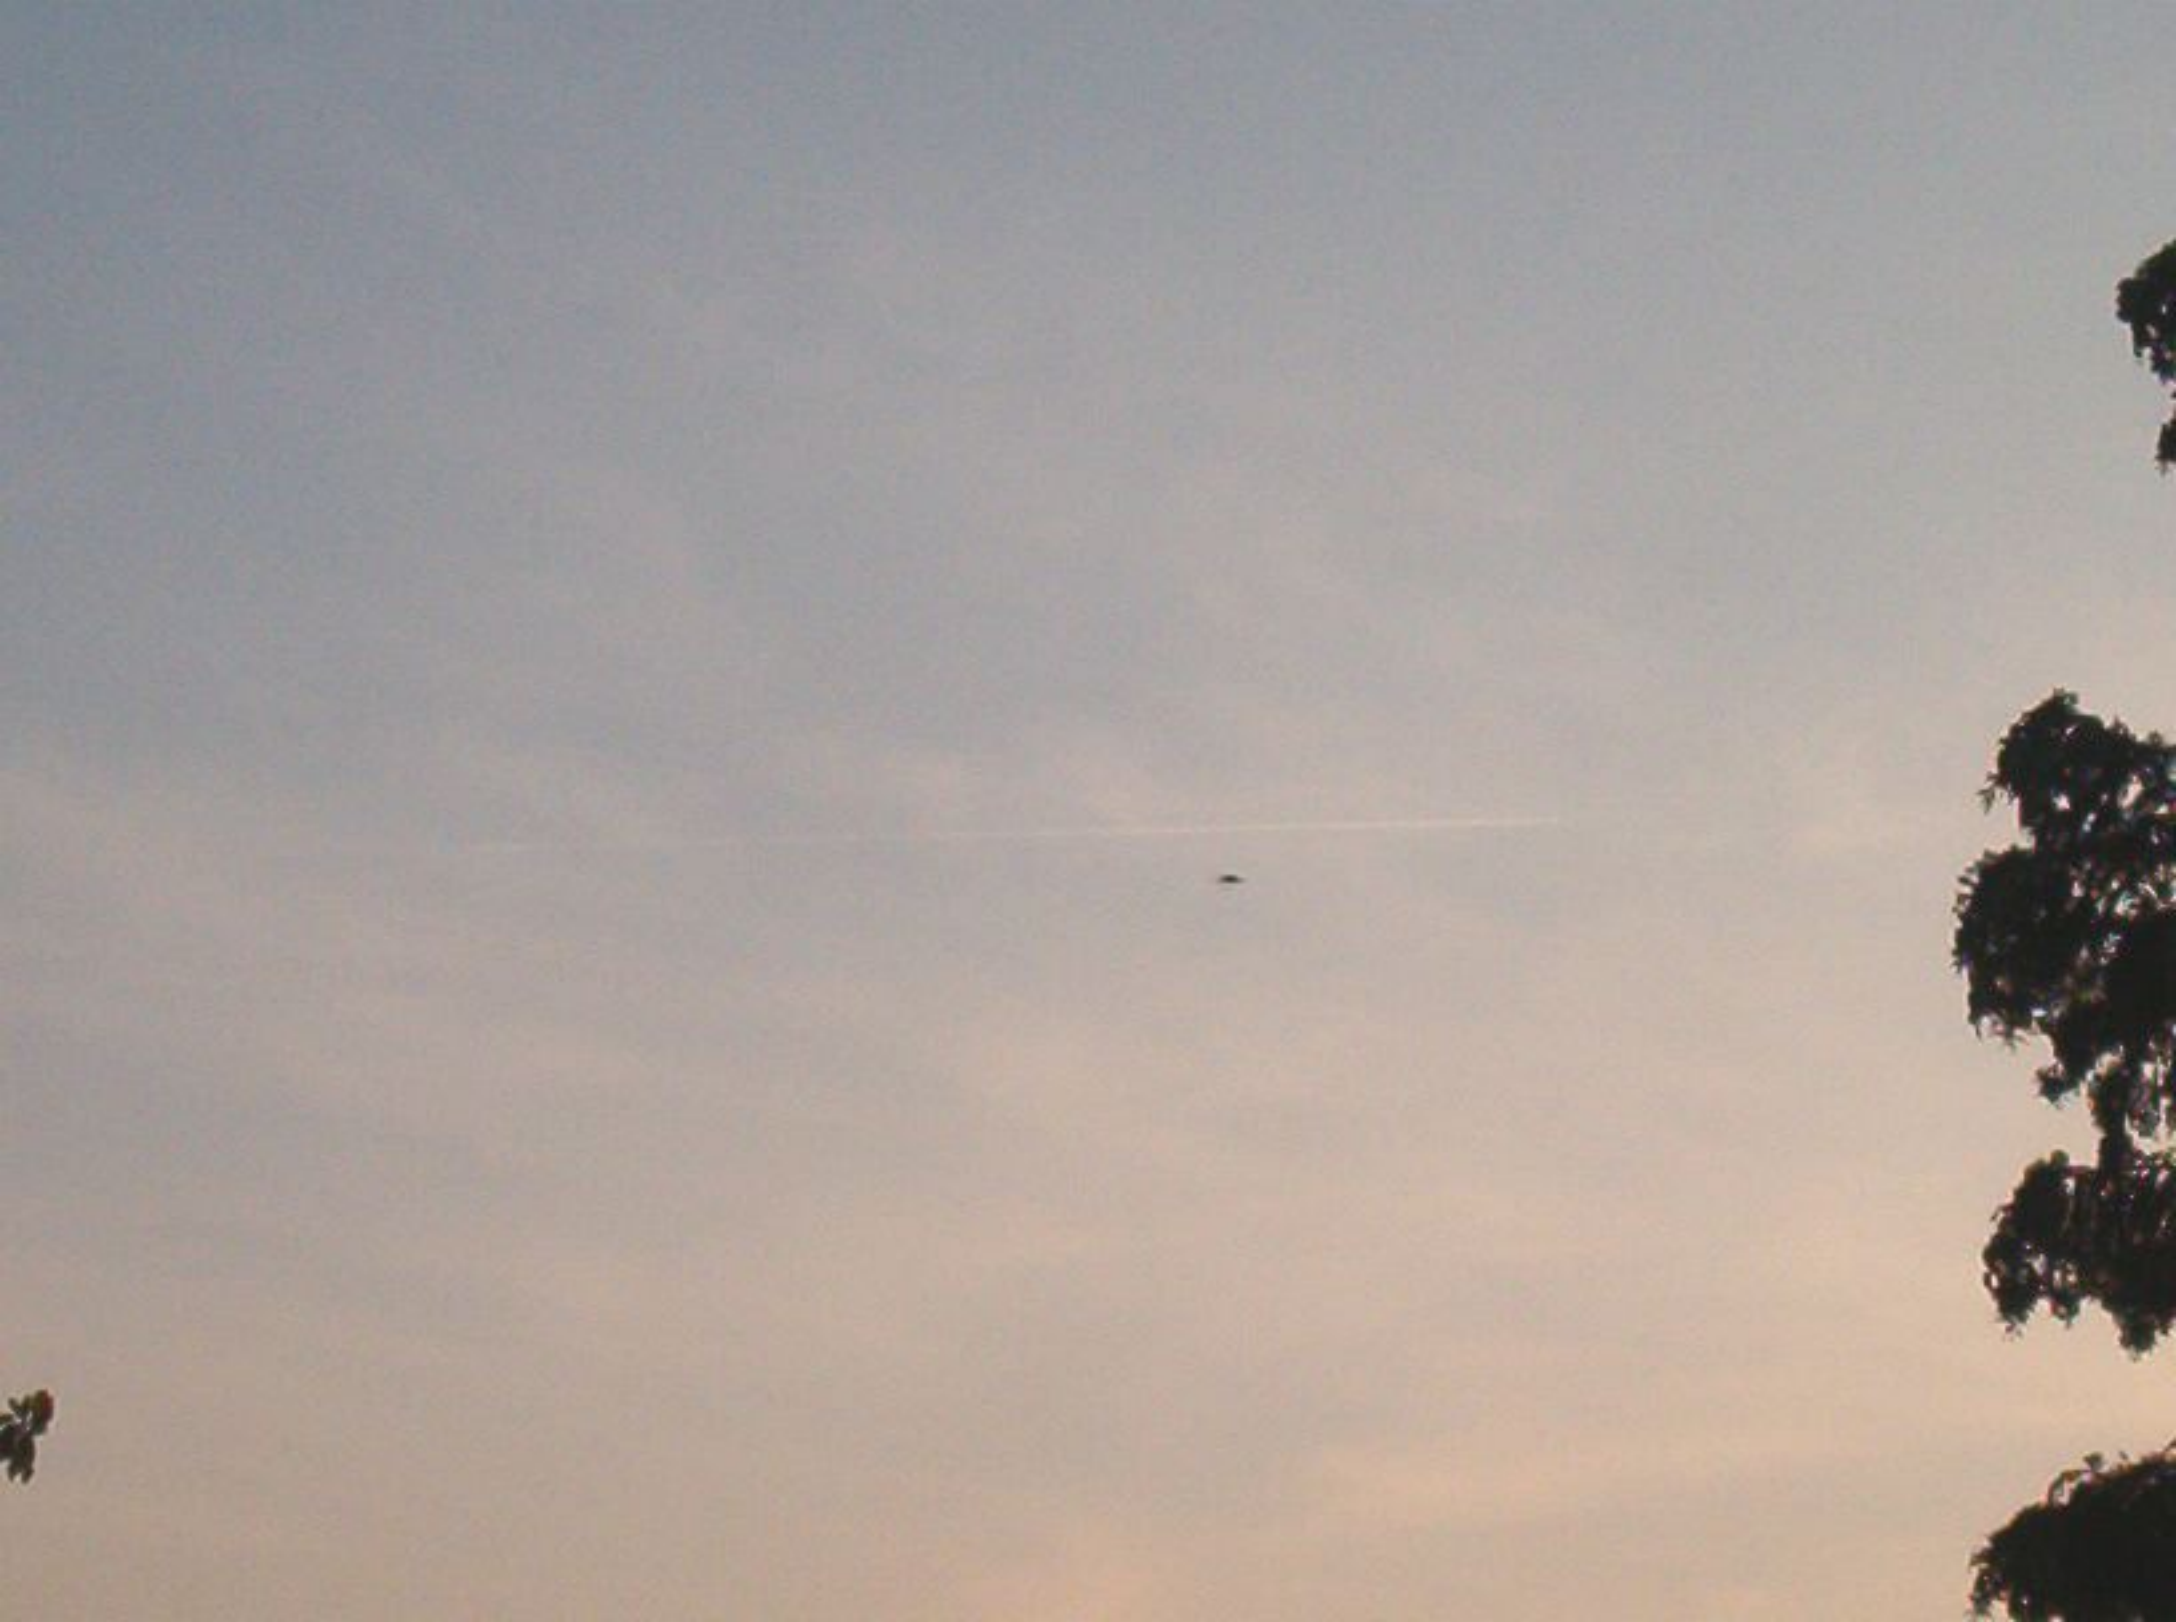

A clear blue sky with a faint white contrail or streak of light extending from the lower center towards the upper right. A small, dark, rectangular object is visible in the middle-left portion of the sky. The bottom edge of the image shows the tops of green trees.

Avistan extraños objetos en el cielo

DE LA REMEDIÓN
Orizaba, Veracruz

Cientos de personas de la región Córdoba-Orizaba fueron testigos ayer de un fenómeno aéreo nunca visto. Durante varias horas se avistó en el cielo un extraño objeto esférico y brillante que se desplazaba de forma silenciosa.

Todo se inició poco después de las 10 de la mañana cuando cientos de una escuela que rodeaba la zona se le fueron observar en el cielo una esfera blanca que giraba lentamente.
